

# T.T.T. ~ Yamaha Tyros 4 & 5 pack

## Klaus Wunderland

with many New & Authentic  
Multi-Sampled Sounds

T4 Voice No.

### New Pack Information

Samples taken from ;  
our own Spectra & Saturn Organs  
( *the Saturn is like a Helios on steroids !* )

Fully Edited & Programmed  
with attention to detail,  
giving the most Authentic & Realistic  
multi-sampled voices ever heard,  
for that fabulous iconic sound.

Included with the pack  
are full and typical Registrations,  
so all you have to do is play !

CAN BE USED **AS WELL** AS OUR TYROS  
THEATRE ORGAN UNIVERSE &  
SUPER~SOUND UNIVERSE PACKS

**PRICE**  
**£54.99**

**T4= 145 m.b.**  
**T5= 128 m.b.**

**ALL Hi-Definition Samples, for the Tyros 4 & 5  
complete with all new Registrations**

**for Tyros 4, installs as a "Library load"**

### **Tyros 5**

**pack + regist. must be installed via the YEM program from Yamaha,  
plus any packs you already use in the Tyros 5 flash memory**

**if you are unable to accomplish this,  
forward us your unique Tyros 5 code, on a usb memory stick  
"export instrument info" + any packs you already have,  
we will set things up for you, via YEM program,  
you can then just load "pack install" to your Tyros 5  
direct from the memory stick, additional service charge, only £10**

**Ring / email for info.**
