**ALL Hi-Definition Samples, re-edited / reprogrammed
for the s970**

both packs complete with all new Registrations

**available as individual packs, or as a Twin Pack
for just **£79.99 = 380 m.b.****

**pack(s) must be installed via the YEM program from Yamaha,
plus any pack(s) you already use in the s970 flash memory**

if you are unable to accomplish this,

forward us your unique s970 code, on a usb memory stick

“export instrument info” + any packs you already have,

we will set things up for you, via YEM program,

you can then just load “pack install” to your s970

direct from the memory stick, additional service charge, only £10

Ring / email for info.
